

# Japanese Encephalitis Vaccination

The following clinics are offering vaccination bookings. Please contact the clinic directly to book.

If none of these options are accessible to you, please contact us at [phu@gh.org.au](mailto:phu@gh.org.au), and we will attempt to make alternate arrangements.

While the vaccine is free for eligible people, there may be a gap payment required by the GP clinic to administer the vaccination – please get in touch with the clinic directly to check if this is applicable.

Learn more about eligibility here: <https://www.health.vic.gov.au/infectious-diseases/japanese-encephalitis#vaccination>
